

# Big Plates? Big Carters!

**New banquet carts for large plates up to 12-3/4" diameter!**

Now, you can load your large plates into Carter-Hoffmann banquet carts... without staggering the stacks or losing capacity! These carts will accommodate a plate/cover size of 12-3/4". Available in four of our most popular capacities: Three Classic Carter sizes with capacities of 120, 144 & 150 plates and one EquaHeat Carter for use with canned fuel with a capacity of 120 plates.
